

# LEMPEN PUPPET THEATRE COMPANY (UK)

## THEATRE FOR ONE

Street Puppet Theatre with a difference

Available (so far) in:

**English, German, French, Italian & Finnish**

3 short performances lasting approx. 3 minutes.

Each performed to only one person at a time, (plus curious onlookers!)

A most intriguing, and then exclusive, theatre experience!

The shows are usually performed together, at the same time, and we can play up to 3 hours in any one day, each.

### Story 1: RIVERBED DIVE

Enjoy a calming journey amidst a busy town centre.

Dive to the riverbed without getting wet and find out who lives there...

### Story 2: DAN'S BABY

An in-utero private view of the World's first pregnant man.

Watch the cute, but rather strange baby as it moves around in the belly.

### Story 3: THE BELLY BUG

Have a look down the "Belescope" and see the habitat and habits of the belly bug. Enjoy the dance of life!

Originally these shows were specially produced for German Festivals. But they have now become so popular, that we offer them all year round for Festivals, Street Festivals, Museums, Foyers etc...
